*Your tank must be equipped with an Anova tank monitor to use this mobile app and web service.

Who We Are

Woodford Oil Company is a locally owned fuels and lubricants marketer and value-added service provider serving customers in a six-state region that includes West Virginia, Kentucky, Ohio, Virginia, Maryland, and Pennsylvania.

Woodford is your single source for motor fuels, professional-grade lubricants, heating fuels—including propane, fuel oil and kerosene—and unmatched service, 24/7.

Our mission has always been to leverage our strong supplier relationships to provide customers with quality products at competitive prices.

Our mobile app provides remote monitoring of fluid levels across your inventory of fuel tanks to track usage and prevent surprise runouts.

Partner with Woodford, and let us be your Total Fluid Solutions Provider.

Contact us to learn about all of our products and services.

Tank Information and Service, Right From Your Phone

*Your tank must be equipped with an Anova tank monitor to use this mobile app and web service.

- ← Our contact information
- ← Current tank level & date of last tank reading
- ← Your average use of product per day & estimated days until tank level reaches 30%, 15% and empty. Tank temperature (if equipped)
- ← Push to send us an email to request service or a delivery
- ← Turn on notifications to alert you when your tank has reached a certain level
- ← View interactive map of tank locations

App is free to download from the Apple App Store or Google Play store. Just search for **MyTankApp**.

More than one tank? No problem.

After you login, each of your monitored tanks are displayed. Simply select the one you want to view.
