HEAT WITH WOODFORD, AND KEEP YOUR HOME WARM THIS WINTER.

Woodford strives to be your home heating supplier of choice by providing premium service and safe, dependable delivery of fuel oil, kerosene and propane. Our modern fleet of delivery tank wagons can deliver your home heating fuel on your schedule.

- **NO. 2 FUEL OIL:** Our No. 2 fuel oil is refined from selected crudes and carefully blended to produce a high quality fuel. It conforms to ASTM D-396 Fuel Oil specifications and is recommended for use in all domestic or industrial applications requiring a No. 2 fuel oil.
- **NO. 1 FUEL OIL (KEROSENE):** Our kerosene is a special, highly refined low-sulfur kerosene. It is recommended for use in all non-flue connected (ventless) kerosene burner applications and in wick-fed illuminating lamps.
- **PROPANE:** Woodford delivers propane to our residential, commercial & industrial, and agriculture customers in the greater-Elkins area of West Virginia, the greater-Marlington area of north-central West Virginia, and the Tri-State area of northern West Virginia, southern Pennsylvania, and western Maryland.
